

## **Ed-Ez Education Made Easy**

Presented By:

Zaara Zabeen Arpa 200042101

Mirza Mohammad Azwad 200042121

Sadnam Sakib Apurbo 200042135

#### A brief overview of our project

- Ed-Ez is an online learning management system
- It helps students and teachers to manage their academics seamlessly

Let's look back at our core features

#### **Features**

**Interactive Scheduling** 

**Resource Sharing** 

Grading and Submission

**Dashboard** 

Classrooms

**Notifications** 

## An overview of our progress so far
